A Checklist for Switching Banks

Switching to Southside is a breeze.

Follow this checklist to transition from your former bank.

-
- OPEN AND START USING YOUR SOUTHSIDE BANK ACCOUNT**
Visit your local branch and a relationship banker will be happy to help you choose and open the account that is best suited for your needs. Or you can get the account opening process started online at southside.com/checking. You can also learn how to use our online banking, mobile app and more digital banking tools at southside.com/digital.

 - STOP USING YOUR OLD CHECKING ACCOUNT AND LET THE CHECKS THAT YOU HAVE WRITTEN CLEAR**

 - CREATE AN ELECTRONIC TRANSACTION LIST**
Review your old account and make a list of your direct deposits and automatic payments using the attached checklist. Remember to list any automatic payments from your debit card. Need help? Ask your current banker if necessary.

 - CHANGE ONLINE AND RECURRING DEPOSITS AND PAYMENTS**
Use your electronic transaction checklist to change all direct deposits and automatic payments to your new Southside Bank account. Most of these transactions can be performed online, but paper forms are attached for your convenience.

 - CLOSE YOUR FORMER ACCOUNT**
After all your checks have cleared and your direct deposits and automatic payments begin posting to your new Southside Bank account, complete and send the Request to Close Account(s) form to your former bank or contact them directly. You may need to transfer any remaining balance from your old account by writing a check to Southside Bank and depositing in your new account.

Thank you for banking with Southside! If you have any questions during this process, please contact your relationship banker or call our Customer Care Center at 877.639.3511.
